The Monthly Newsletter of the Taylors Mistake SLSC

September 2022

Junior Surf registrations are now at capacity—waiting list only!

## 2022/23 Season registration Now open.

<http://www.taylorsmistake.com/join-us/>

If you wish to patrol, compete or be part of the Taylors whanau as a social member this summer, please complete the online registration form [here](#).

A friendly reminder that full payment of Club subscriptions is required prior to participating in lifeguarding, training and competition.

As an alternative to membership subscriptions, we encourage members to consider making a donation to the TMSLSC Trust. This Trust was set up to help secure the Club's long term resilience and future. It is a registered charity and accepts donations for its cause. Any person donating \$250 or more to the Trust will not be required to pay subscriptions for themselves or their family that year. The Trust will issue a receipt acceptable by Inland Revenue that allows you to claim a third back as a tax rebate. The Trust, for its part, gets to retain the full amount of the donation whilst the total amount paid for whole family membership (once the tax rebate has been claimed) reduces to \$166.

TMSLSC also wishes to ensure that financial reasons are not a barrier to membership. We are very happy to discuss payment plans with any member who is facing financial hardship. Please contact [secretary@taylorsmistake.co.nz](mailto:secretary@taylorsmistake.co.nz) in confidence.

Sadly, Anne Turpin, the wife of Barry Turpin our Past Paton, President, and many other things over a long period around the Club, passed away last week. Barry himself went in 2001, so we can hope they have found each other again, who knows, but either way to their three daughters Louise, Sarah and Katrina, all Taylors Life Guards in their time, and their wider family, the Club gives its condolences.

### **SEARCH & RESCUE (SAR)SQUAD**

We are looking to further develop our clubs SAR Squad, and looking for members who want to further develop lifeguarding skills and qualifications by joining the TM SAR Team.

The SAR team runs some pretty awesome trainings with neighbouring surf clubs, and external agencies (Sumner Lifeboat, Police etc.) so its a heap of fun to be involved in!

***The minimum requirements are to be 18 years of age, and hold a refreshed Surf Lifeguard or Patrol Support Award.***

***Whilst its desirable for members to progress down the training pathway and have other awards, such as IRB crew/driver, first aid, CIMs, rock rescue modules etc., we can build these skills over time!***

***Team members will be required to be available majority of the time to ensure we can provide an adequate response as necessary.***

There is roles for everyone from dry members assisting on land, and wet members for those getting out in the IRBs, on the rocks etc.

Team members will be required to be available majority of the time to ensure we can provide an adequate response as necessary.

## Junior Surf

We are excited to welcome returning and new families back to our Junior surf programme this year, which begins Sunday 30<sup>th</sup> October at 10 am

This year we have a new junior committee and two new Junior Surf Co-Ordinators running the programme this year – Sarina Powrie and Carla Phillips.

Both Sarina, Carla and their families have been involved in a variety of roles with the club for the last 4 seasons. They were members of the committee last year, and this season Sarina will pick up from Kathryn Newbury with the co-ordination and administration of the season, alongside Carla who will be picking up from Carrie Worthington leading the coaches and surf programme. Carla first joined Waipu Cove SLSC (Northland) back in 1994, she is a qualified lifeguard with SLS competition experience.

We would like to say a huge thank you to Kathryn Newbury and Carrie Worthington for all their energy, time and dedication to delivering a fantastic surf programme over the last couple of seasons, we are lucky to still see them on the beach this season involved in other roles and supporting with their experience.
