## Notes

- All teams and team members must be registered at the Manager's Meeting.
- Each team must be clearly identified with club caps and markings i.e. A, B or C if a club has more than one team. Also if teams enter relay events with more than 1 entry then this must be declared and a number given to each entry.
- Any age/grade except for cadets i.e. there is only one grade – Open.
- Clubs are encouraged to enter as many teams as they like.
- For the purpose of drawing for heats, it will be assumed that the club's "A" team is their best team. This is to try and avoid a clash of top teams in the heats.
- Each club is required to submit the number of teams they will have competing at **8:30 am** at the managers meeting.
- There will be no substituting of team members once the teams have been declared at the Manager's Meeting. The only way a person can be replaced in a team during the event is through injury. This must be approved by the Event Manager, and they can only be replaced by a person not currently in a team.
- **Masters races** – These will be mixed races (so one race) with a handicap format. The oldest competitor goes on go and then 10 sec intervals for every decade to the youngest. E.g. 70-80 on Go, 60-70 on 10sec, 50-60 on 20sec, 40-50 on 30 sec and 30-40 on 40 sec. In the interest of political correctness and gender equality the Women will leave the same time as the men.
