Patrol

Saturday 1-5pm Sunday 11am-5pm

Patrol starts up this weekend with Alpha and Bravo patrols taking the first watch. Remember that you will be refreshed on your first patrol back and there is a focus this year on run-swim-run as well as the usual key first aid and CPR knowledge.

New lifeguards are invited to join the Taylors Mistake Patrol Swaps Facebook page. If you are unable to make it to one of your patrols, please find a replacement lifeguard at the same level as you and let your patrol captain know the arrangement.

Good luck to all our members sitting their lifeguard awards over the next few weeks!
